

M & M Pump & Supply, Inc., Corporate Office

Flora, IL

1/19/08

M & M Pump & Supply, Inc., a leader in the supply, repair and servicing of oil and gas field and industrial products and equipment in the Illinois and Appalachian Basins, announced the acquisition of Anderson Machine & Welding in Oblong, IL.

“It is imperative that our present and future customers know that our day to day operations will not change and that M & M will continue to provide the same quality services and products as Anderson Machine & Welding always has” said Jim Anderson. Jim and his son Brett both will remain involved in the management of the facility.

McCoy Machine & Gear, a full line machine shop and division of M & M Pump & Supply, Inc. presently operates in Flora, IL. With the addition of Anderson Machine & Welding, M & M Pump & Supply will now offer the most extensive machine shop operations in Southeastern Illinois. “This acquisition will enable us to better serve our customers by not only offering enhanced machining capabilities, but also by providing geographic convenience as well”, said Scott Buerster, Vice President.

The move is part of M & M’s growth strategy to add new locations and services both through internal expansion and acquisitions. The company presently operates supply stores in Clay City, IL, Mattoon, IL, Bridgeport, IL, Carlisle, IN and Grayville, IL. Divisions of M & M include PD Service in Clay City, IL and the aforementioned McCoy Machine & Gear in Flora, IL.

The Oblong facility is located at 101 East Main Street. 618-592-3861
